STUDENT LIFE

CRISIS AT

Late in April, 1980, after extensive searching, Woodrow Wilson High School was selected as the location for the filming of Crisis at Central High. A Time-Life Production, the movie is a docudrama concerning the 1957 racial desegregation of Central High School in Little Rock, Arkansas. Woodrow Wilson was chosen over many different high schools in the nation because of its architectural similarity to the Little Rock High school, and because most of the production company facilities are in Dallas. Joanne Woodward starred as Elizabeth Huckabea, the Dean of Girls at Central High, and many Woodrow Wilson students were used as extras. The two hour made-for-TV movie was aired on CBS in February.

MUSIC, MONSTERS, AND MUNCHIES

On October 21, 1980, the fifth annual Woodrow Wilson Dinner Theatre was presented. The evening's festivities consisted of a box supper followed by an entertaining show presented by the Concert Choir and Variations under the direction of Marca Lee Bircher. Then the Drama Department presented the one-act play, "Monster Soup", directed by Luanna Cole. A raffle was held with approximately $2,000 worth of prizes, with the grand prize of a weekend for two at the Fairmont Hotel. Posters and decorations carried out the "Music, Monsters, and Munchies" theme.

WILDCAT WONDERLAND

The week before the Christmas vacation was an exciting one. Spirits were high and everyone was anxious to begin holiday activities. The Student Council sponsored a can food drive for needy families. The winning second period class was given a party. The Concert Choir and Variations presented their annual Christmas Concert. The festivities reached their climax on New Year's Eve when the senior girls held their annual dance.

The great year is finally here! — 1981. Everyone seems to be enjoying themselves at the Senior Girls Dance.

HOMECOMING 1980

Although the Homecoming Game against our old rival Skyline actually started at 7:30 p.m., preparation had long been underway as cheerleaders, Sweethearts, band members, and athletes worked many long hours preparing for this special event. However, the hard work and hours spent seemed to pay off. The Wildcats fought hard against Skyline in a close game that ended 6-7, in favor of the Raiders. At the half, the Wildcat Band and Sweethearts performed to "One" from *A Chorus Line*, and senior Sweethearts performed the traditional Homecoming Kick Routine. Despite the loss, anticipation for the dance the following night compensated for any disappointments suffered.

Under a thousand glittering foil stars, the Homecoming festivities began. The celestial atmosphere was created by members of the Student Council, and disc jockey Joe King provided the evening's entertainment. Shortly after midnight, came the announcement of the Homecoming Queen, Princess, Duchess, and Countess.

Amy Manning is announced Homecoming Queen, and is presented with crown and roses.

THE WAY IT WAS

What will you remember most about the 1980-81 school year five, ten, twenty years from now? What things will stand out as typical of the times? Although interests and opinions may vary, 1980-81 will definitely be remembered as the year . . .

. . . Preppy, New Wave, and Western were favorites in the fashion scene.

. . . Ronald Reagan was elected the fortieth President of the United States.

. . . Designer jeans were everywhere.

. . . CBS' *Dallas* broke prime-time records with its "Who shot J.R.?" episode.

. . . "Whispies" appeared on many foreheads.

. . . *Popeye* won everyone's heart.

. . . Dan's Lakewood Cafe enjoyed widespread popularity with Woodrow Wilsonites.

. . . Cherokees and Western boots walked all over Woodrow.

. . . Signs of "smokeless" were inevitable.

A TOUCH OF SHAKESPEARE

On February 20 and 21, the Woodrow Wilson Fine Arts Department presented Cole Porter's classic *Kiss Me Kate* as its 24th annual Broadway musical. *Kiss Me Kate* is a backstage fable, a "play within a play," and deals with the lives of a troup of Shakespearean actors and their presentation of *The Taming of the Shrew.* An egotistical ex-married couple, portrayed by Gina Surratt and Doug Gordon, has been reunited to co-star in a revival of this Shakespearean comedy. The uneven course of their reunion off-stage is paralleled by the stormy plot on-stage.

Rehearsals for this year's musical began in early December under the direction of Marca Lee Bircher who was assisted by Patricia Hardman, a former Woodrow teacher who flew back from her new home in California to choreograph *Kiss Me Kate.* The long hours of rigorous rehearsing were compensated for by the overwhelming response and favorable comments of those who attended. *Kiss Me Kate* proved to be among the finest musicals presented at Woodrow.

When the shrewish Katherine is finally conquered, everyone rejoices in "From This Moment On."

"Call the FBI!" Skip Leggett portrays an absent-minded multi-millionaire Harrison Howell.

Bianca finds it difficult to "meekly place her hand beneath the sole of her master's boot."

The audience is transported to a typical street scene in Padua, Italy.

Katharine states her unalterable opposition to males in "I Hate Men."

Petruchio orders Katharine to "tell these headstrong women what duties they owe their lords and husbands."

Upon his marriage to Katharine, Petruchio begins to reminisce about his life as a single man.

Gina Surratt and Doug Gordon portray the flamboyant ex-married couple.

Margie Hardwick seems convincing in "Always True To You In My Fashion".

Lorrie Brooks and Roger Van Fleteren perform "Tarantella".

SCHOOL DAYS

Through the course of a year at Woodrow, many memories will be formed that will remain with us long after our high school years are over. However, the memories of the hours spent in the classroom are certainly ones that will be especially unforgettable. On these pages, the *Crusader* photographer has observed typical Woodrow classrooms . . . working, playing, and learning.

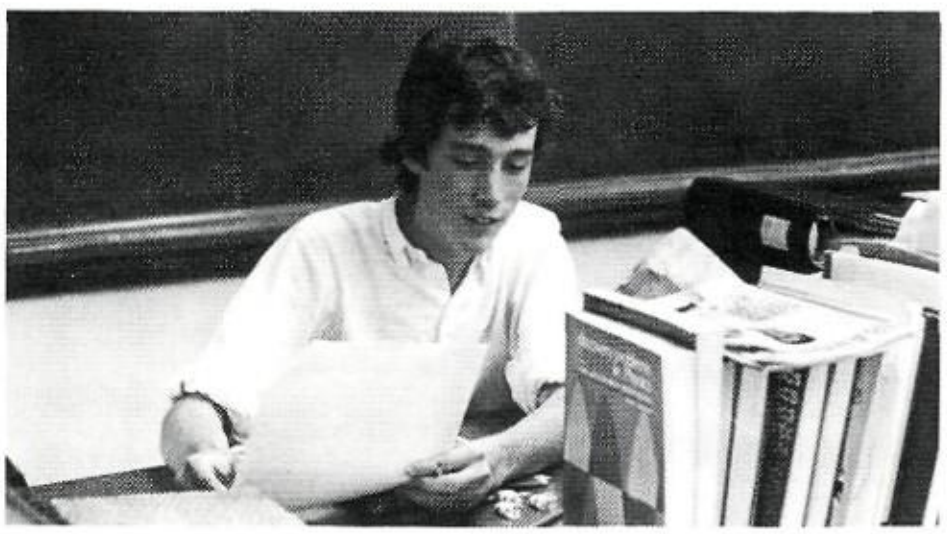
GIFTED WILDCATS

Woodrow is fortunate to have many talented students. Although every gifted person at Woodrow could never have been covered, these people deserve recognition for their achievements in music, art, athletics, and academics.

Jennifer Fosmire was girls' swim team captain as well as a National Merit semi-finalist.

Gina Surratt and Margie Hardwick made Who's Who Among American High School Students for their achievements in music and dance.

Roque Trevino and Gary Bonner were All-Metro football players in their junior year.



Julian Anthony was named semi-finalist in the 1981 National Merit Competition.

Sondra Beck won first place in the school-wide Art Contest.

AND JUSTICE FOR ALL

Each year, as part of Mrs. Jameson's American Government class, a mock trial is held. All students in the class participate as lawyers, judges, the clerk, witnesses, and defendants.

The jury is chosen from another class so it will be neutral. The lawyers compose testimony for each witness who must learn his part. Lawyers also write their own opening statements, closing statements, and cross-examination. This all results in an excellent presentation.

CONCERT CHOIR

The Woodrow Wilson Choral Dept. had a busy year. A year's activities consisted of the Dinner Theatre, D.I.S.D. and U.I.L. competition, the Christmas Concert, and the annual "Desert Theatre." This year, Kerry Smith, Becka Sweet, and Gina Surratt made all region choir. Gina also went on to win state competition, being one of only three singers selected from the Dallas area.

#22, Keith Harris, raises his hand as the referee signals for the opening kick-off against North Garland.

This North Garland defender looks like he has a crush on Craig.

#50, Graham and #73, Toliver help the defense. HOLD THAT LINE!

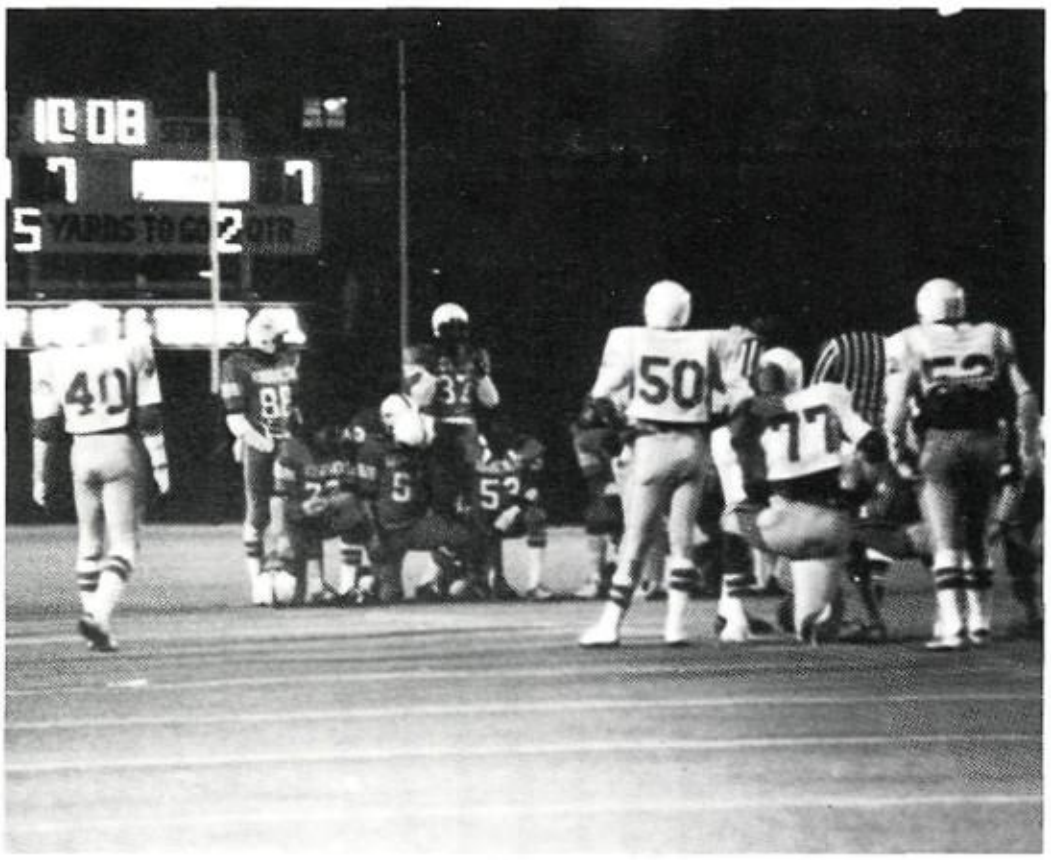
This 1980-81 year District Play was re-aligned since all the schools in Texas were revaluated on school enrollment. Woodrow Wilson switched its 12AAAA placement for an 11AAAAA position. Thus, Woodrow's athletic teams no longer compete with Hillcrest, Thomas Jefferson, and W. T. White, rather they oppose Roosevelt and South Oak Cliff for District.

The first four games of the season were pre-season games. The Varsity team fared 1-3. ROCKWALL: Gary Bonner scored the first touchdown against Rockwall on a 57-yard run. Wilford Rider scored on a 2-yard conversion giving the Wildcats a total of 14 points against Rockwall. NORTH GARLAND: #44, Gary Bonner, again came through with a 56-yard run which proved to be Woodrow's only successful scoring attempt against North Garland. GARLAND: Bonner led the Wildcats to 139 yards rushing on 27 carries. Then Rider scored on a 1-yard run against the Garland Owls with Roque Trevino kicking the extra point. BISHOP DUNN: The last game of pre-season play gave Woodrow its first win as the team defeated Dunn by 1. In the third quarter, Bonner ran in on a 3-yard plunge and again Trevino kicked the extra point.

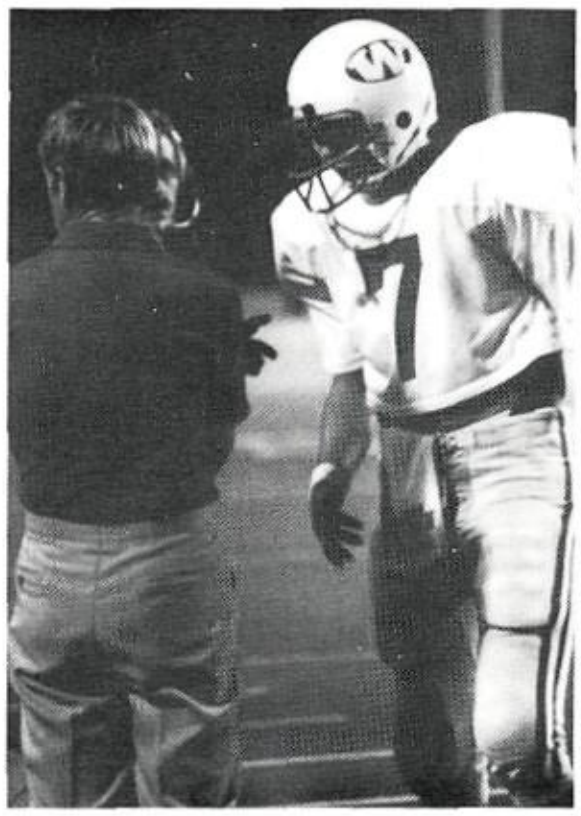
THURSDAY NIGHT FOOTBALL

The Wildcats played Thursday night football against Bryan Adams, South Oak Cliff and Roosevelt. These three teams were rated as the top three teams in the 11AAAAA District; yet, Woodrow played the contenders with indefatigable heart. BRYAN ADAMS: Although the Wildcats could not score, the defense held Bryan Adams to only 14 points. SOUTH OAK CLIFF: The game against S.O.C. was penalty-ridden, as a total of 16 flags amounting to 195 yards were thrown. Woodrow's only score came from Roque Trevino's 22-yard field goal. ROOSEVELT: The Wildcats jumped to a quick lead after just 1:26 in the first quarter. Steve Wyatt ran in 38 yards for the touchdown. Roque Trevino kicked the extra point.

The Wildcats suffered many injuries this season! Brad Thompson started the season hurt by being injured during a scrimmage. Craig Gerver received injuries against B.A.; Wilford Rider was hurt while playing against S.O.C. Eddie Beaver was hurt during the season, and Terry Malone played while injured many times.

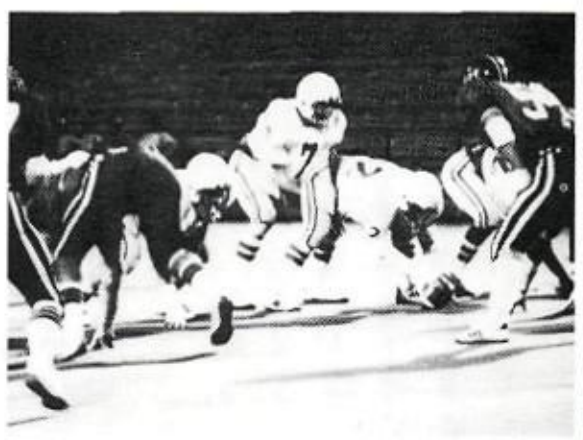


Roosevelt calls a time out as #40 Ricky Keller, #50 Mike Graham, #70 Ed Ballard, #52 Roque Trevino, and #74 Gregg Glasper patiently wait.

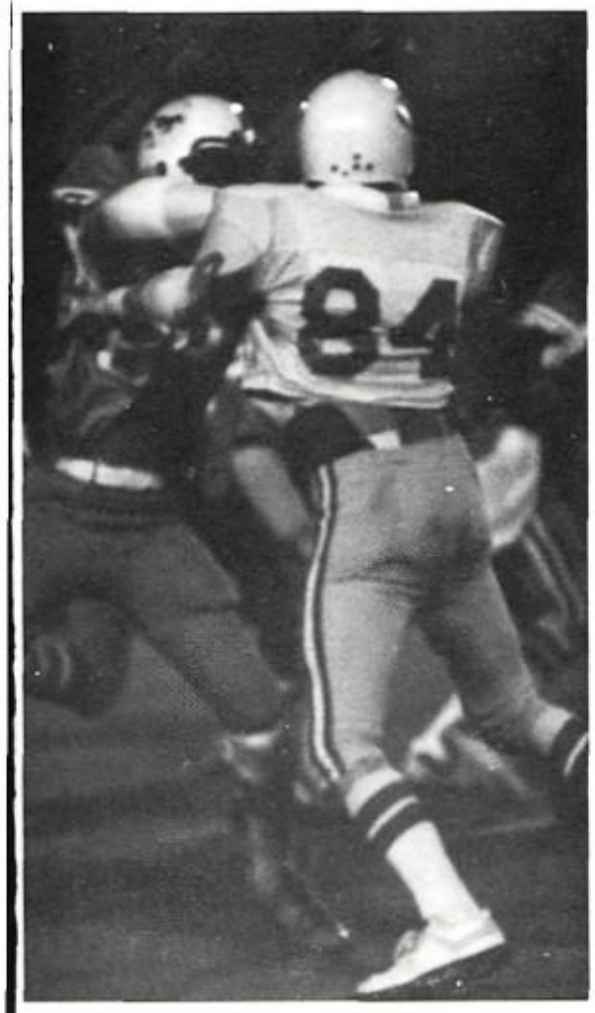


Talbot tells Rogers to go for the touchdown!

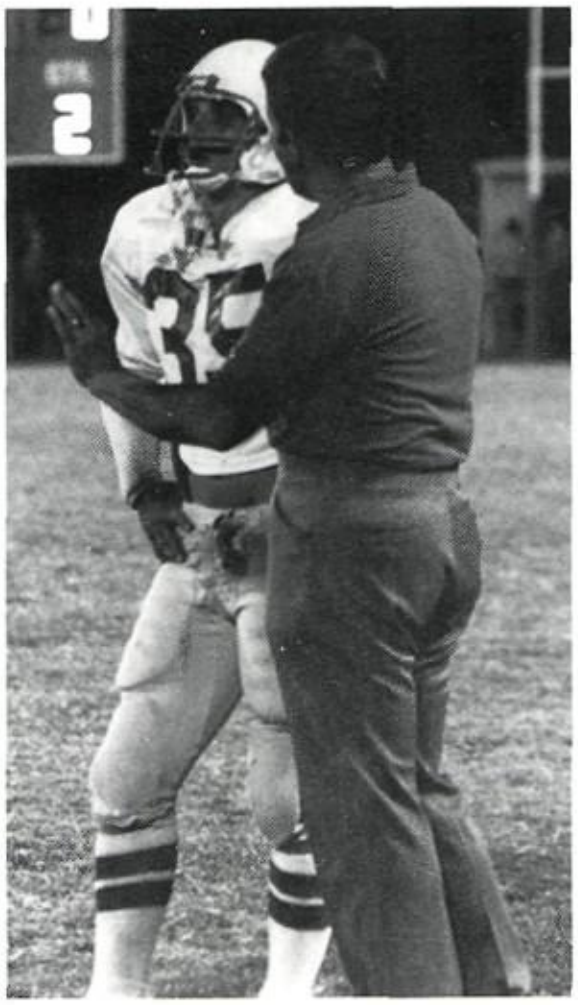
Look at the good blocking by #72 Tim Johnson, #62 Terrence Copling, #63 Jimmy Howard and #75 Shawn Carroll!!



Fans or no fans, the Wildcats still play ball!

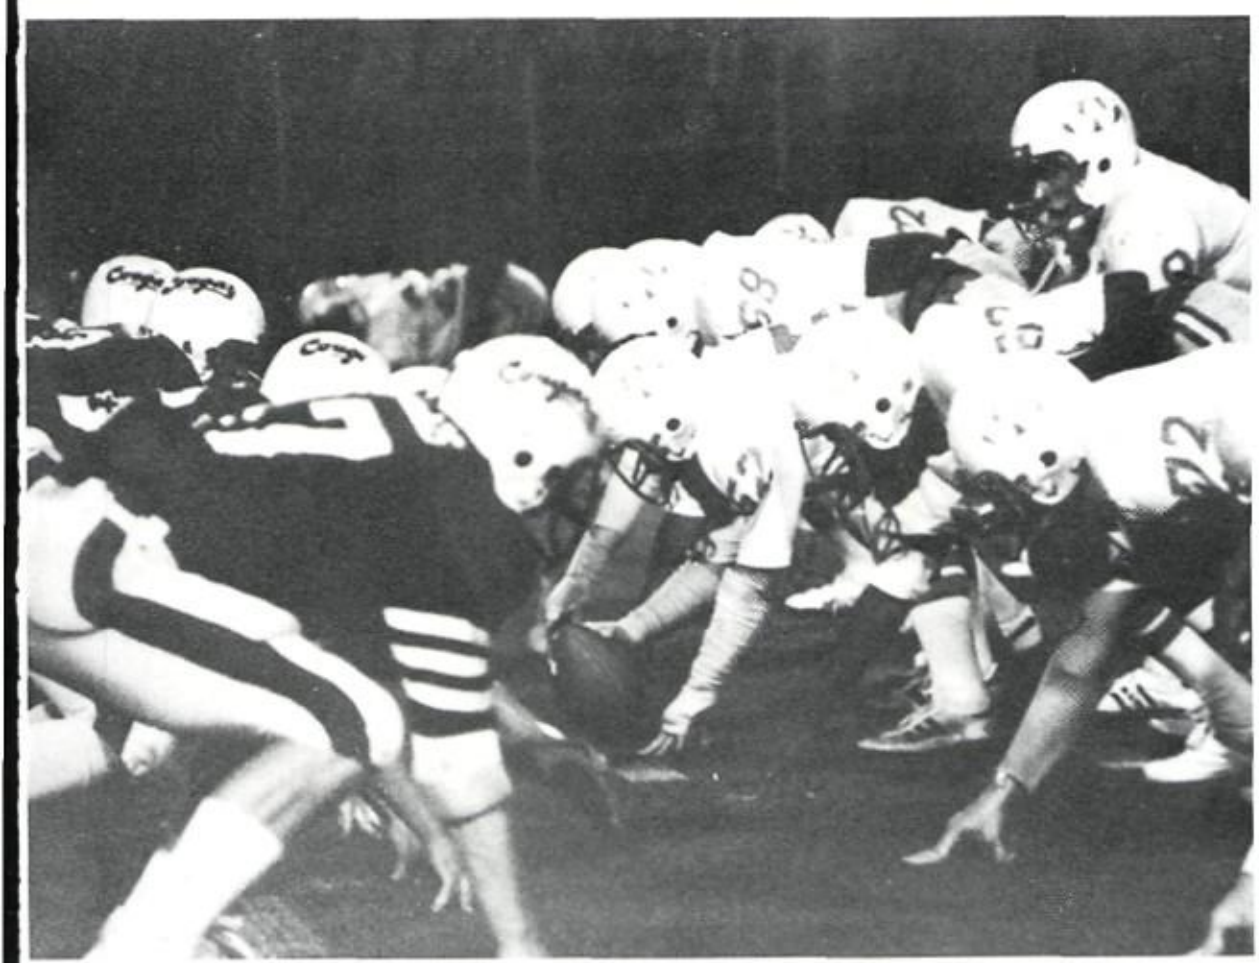


Scott Weber: "Okay you push, and I'll shove!"



Coach Mason discusses defensive plays with Tracey Hankins.

I bet John Shoemaker got a kick out of that!!



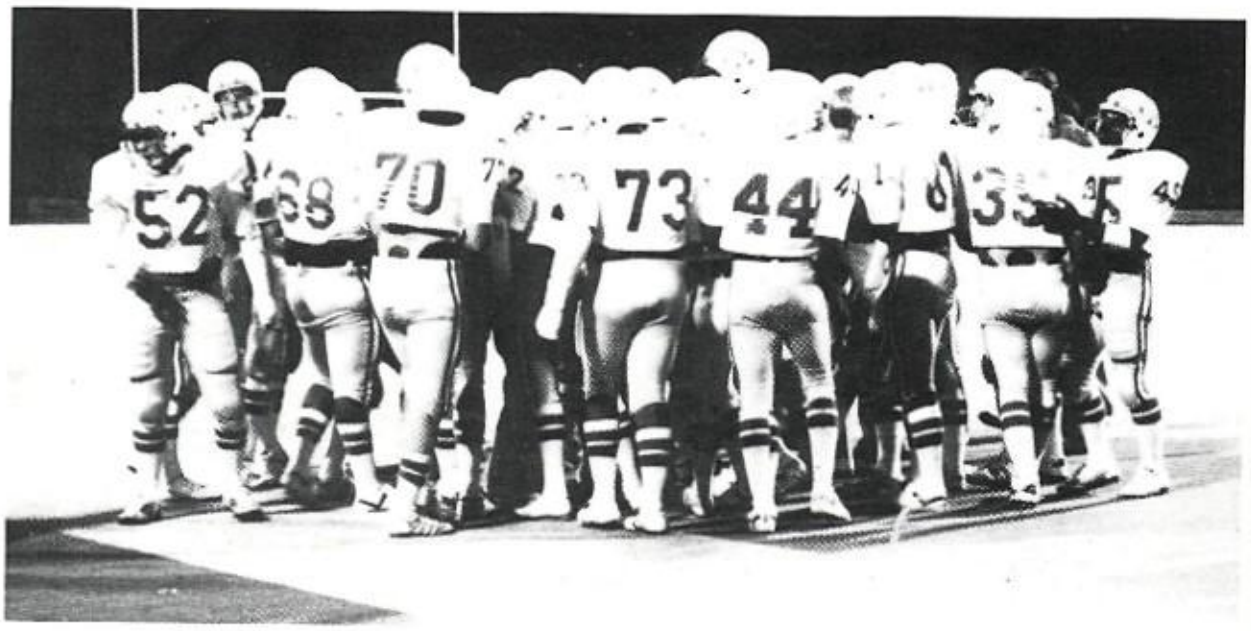
Woodrow had a head-to-head meeting at the line of scrimmage against the Bryan Adams Cougars.

FRIDAY NIGHT FOOTBALL

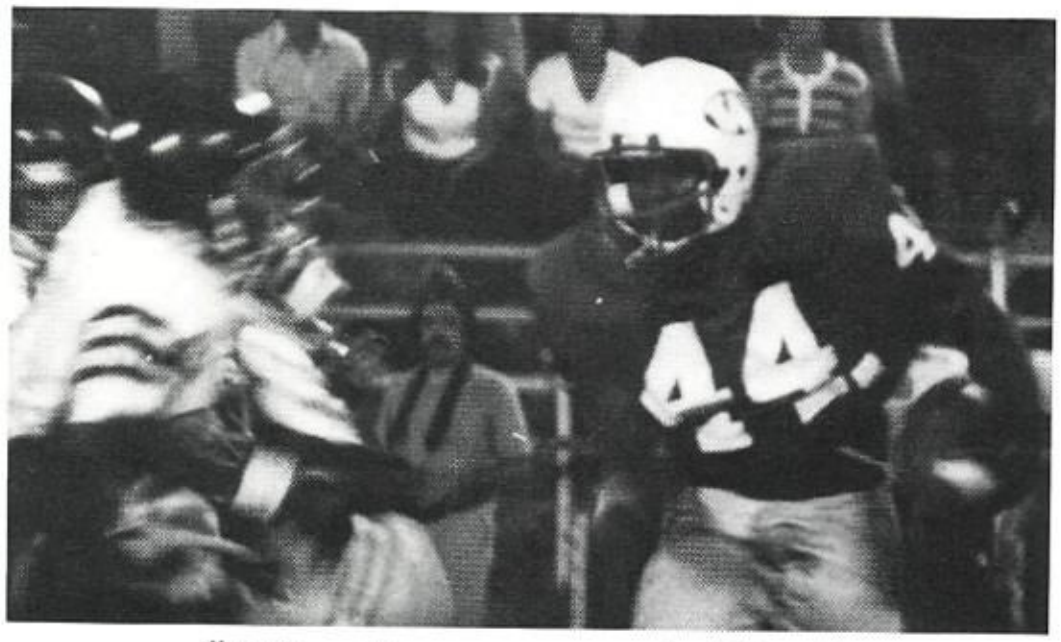
Friday night games included play against Spruce and Samuell. SPRUCE: Sam Sanders caught a 27-yard pass from Brian Rogers. Roque Trevino kicked the extra point which proved to be Woodrow's only score against the Apaches. SAMUELL: Even though the Wildcats showed a consistent running attack and solid defense they were still overcome by the Samuell Spartans. In the second period of play Bonner surprised fans with a 23-yard halfback pass to Keith Harris which became the Wildcats only touchdown.

Several coaches named these players as outstanding: Gary Bonner, running-back; Sam Sanders, wide receiver; Roque Trevino, center, linebacker, kicker; Terry Malone, noseguard; Tracey Hankins, linebacker; Byron Fossett, noseguard, offensive-guard; and Ed Ballard, defensive-lineman. Of course, the entire team is noteworthy and should be complimented, for all of the players contribute to the making of a team.

Only a mother could love that face!



The Varsity team now huddles together to decide where they'll go eat after the game.



#44 Gary Bonner sweeps to the left end.

The heated rivalry between Woodrow and Skyline exploded when Roque Trevino kicked a 32-yard field goal in the 2nd quarter. Woodrow continued to lead until the last minute when a controversial call gave Skyline new life. The Raiders took advantage of this call and scored a touchdown in the last 37 seconds! This Homecoming game ended a tough season for the Wildcats but imprinted a series of memorable efforts in the fans' hearts.

The Junior Varsity Wildcats struggled through this year's realignment valiantly. They were smaller than many of their opponents in both number and size. Their new opponents include South Oak Cliff and Roosevelt, which are two of the most powerful teams in the city. The J.V. also played Rockwall, Bishop Dunne, and Kimball in preseason. They beat Bishop Dunne, 26 to 6, and that left their season mark at 1 and 9. The experience gained this year should make for a winning varsity next year.

Fourth row: Coach Tovar, #22 Darrell Neal, #85 Glenn Vation, #11 Eli Arredondo, #46 George Nata, #40 Ivory Clark, Coach Miller.

The freshmen got off to a fast start, winning the first four of five games played, and winning those four in a row. The games were very close, as represented by the 6 to 6 tie with Samuell. Many of the games were lost because of one play, penalty, series of downs, or mistake. Many of the team members demonstrated good playing skills. These players will be assets to the junior varsity and varsity teams next year.

Ed Vation goes up for a long jumper.

The Wildcat basketball team play competitively throughout the year despite unfortunate setbacks. Playing a varied but deliberate style, Coach Scott's players battled through the new district schedule. This new district includes Roosevelt, South Oak Cliff, and strong Skyline. These teams are considered some of the metroplex's best teams. Woodrow played many rigorous preseason games before district competition began. The district season consisted of round robin play and a district tournament. The team members represented Woodrow well in an extremely competitive 11 AAAAA district.

This year's Freshman Basketball Team exhibits promise for the years to come. Under the leadership of Coach Hoggard, the members deftly played this district's toughest teams. Examples of their efforts show in their wins against Roosevelt (43-40), South Oak Cliff (37-36), and Sunset (68-67). Tim Brown, Barry Davis, Anthony Craddock, Genard Chapple and Robert Eldridge demonstrated much talent this basketball season. The freshman players make the future bright for next year's J.V. and Varsity teams.

We love you!

Family owned and operated for 33 years – at the same location – 3219 Knox St. It began as a little, small shop in 1948 – today it's a complete Furniture Village with a furniture store, Design Studio, Country Store, an Atrium casual furniture shop, and Clearance Centre . . . all at one location. Good service and value continue to be Weir's greatest aim.

Weir's salutes Woodrow Wilson and all the families of the student body and faculty.

*Amy is the granddaughter of Mr. and Mrs. J. Ray Weir.

CONGRATULATIONS AND SPECIAL THANKS to those *Crusader* staff members who made this yearbook a priority in their lives. Each of these students spent hundreds of hours working to insure the production of the 1981 *Crusader*. Editor **Tracy Hiser's** organization was essential. **Zina Castanuela's** bookkeeping insured the funds needed for printing costs. **Steve Cargile's** cover design captured the staff's theme in a striking manner. **Kathleen Swann's** dedication as head photographer enabled the staff to meet deadlines. Kathleen, along with other photographers — **Amy Dye, Melanie Corley,** and **Allyson Aynesworth,** put in many long, nerve-wacking hours. The dedication and responsibility exerted by these staff members, as well as section edtiors, made the 1981 *Crusader* a reality.
